Re: Incorrect Charge to Ward & Olivo Deposit Account No. 23-0420

Dear Latrice Sims:

Before speaking with you a couple weeks ago, I had routinely sent all my refund requests to the USPTO researcher. I now realize that sending them to you is the more efficient way to accomplish the desired result. So from this point on, I plan to send all my requests to you. If this isn't acceptable or you feel that there is someone else whom I should make my contact person, please let me know. Thank you for being so helpful.

The letter below was sent on July 2, 2003 to the USPTO researcher and I still haven't received a response:

It has come to our attention that a charge dated 5/9/03 to our deposit account no. 23-0420 in the amount of \$110.00 for Application Serial No. 09/769,140 (our docket number 660-022) is incorrect. A copy of the May 2003 statement for the account is enclosed.

According to PTO records, this charge identifies fee code 1814 (i.e., the fee code for a statutory disclaimer). However, our records indicate that our check no. 13847 was sent for payment of this fee on 4/22/03 along with the corresponding fee transmittal form. I have enclosed a copy of both our check and the fee transmittal sheet. Also, our records indicate that this check has been cashed. Furthermore, as indicated by the enclosed fee transmittal, authorization was not given to charge any additional fees during the pendency of this application. Please credit our deposit account in the amount of \$110.00.

WARD & OLIVO

If you have any questions, please feel free to contact me at any time.

Best regards.

Very truly yours,
